The Baltimore City State's Attorney's Office (SAO) launched the 'Faces of Actual Innocence' campaign to inform residents and students in Baltimore City about the stories of men who were wrongfully incarcerated and the support underway for crime victims and their family members who were denied justice. In partnership with WJZ, the campaign includes video interviews with the exonerated men, a partnership with restorative justice nonprofit "Healing Justice", and will culminate in a panel discussion on October 2, 2021 - International Wrongful Conviction Day - at the University of Maryland, Baltimore School of Social Work Auditorium at 1:00 p.m.
